

Avondale Playground Design Committee Meeting

Avondale School District- Playground Committee Meeting

Elements of Play

- Swing
- Spin
- Rock
- Climb
- Balance

Goals

- Improve Overall Health
- Enhance Learning Potential

The Project

- **New Playground Equipment**
- **Expand the play area to accommodate the new playground equipment**
- **Replace existing playground equipment that is failing**
- **Replace existing engineered wood fiber play surface**

Safety and Inclusive

- All new and existing equipment meets to national standards for safety and accessibility
- Different types of play based on the users and developmental ability
- Inclusive

The Schools

1. Auburn Elementary
2. Deerfield Elementary
3. GATE
4. Graham Elementary
5. Woodland Elementary

Input Needed

Where should we add additional play area?

Avondale School District- Playground Committee Meeting

Auburn Elementary

80' x 50' Play Area
Proposed South of
Existing Playground

Avondale School District- Playground Committee Meeting

Deerfield Elementary

80' x 50' Play Area
Proposed North West of
Existing Upper El.
Playground

Avondale School District- Playground Committee Meeting

GATE Magnet School

3 Options for new
Playground Location

Avondale School District- Playground Committee Meeting

Graham Elementary

40' x 50' Play Area

Proposed South of
Existing South.
Playground

40' x 50' Play Area West
of North Playground

Avondale School District- Playground Committee Meeting

Woodland Elementary

Main Goal is to fix
Drainage to Promote
use of existing Wood
Fiber Play area as
separate project

Install New Equipment
to better utilize the
existing space

Avondale School District- Playground Committee Meeting

Existing Equipment To Repair/ Replace

- We worked with the Districts Playground Consultant to Identify Current Equipment Condition
- Selecting Pieces of Equipment to be replaced based on Wear & Use
- Some repairs required of Existing Equipment to Remain

KEY PLAN

Auburn Elementary

Recommendations

- Replace Track Ride
- Replace Play Structure
- Repair Shad Canopy
- Repair Stepper
