### Application Procedure:

1. Applications will be accepted for a limited number of non-resident Schools of Choice students, who live in Oakland County, for enrollment in the Avondale School District for the 2025-2026 school year. The availability is determined by the Avondale School District Board Members.
2. Avondale School application period is **February 19, 2025 – March 20, 2025**. If the number of applications received exceeds the number of spaces available, a lottery will be held **April 7, 2025** as specified by state law. All applicants will be notified of their acceptance status by **April 18, 2025** via email.
3. An application must be submitted for each student you are looking to enroll as a schools of choice student in the Avondale school district.
4. If your student's name is not drawn in the lottery, we will maintain your student's name on a waiting list and notify you if a seat becomes available, up to the end of the first week of school.
5. If the applicant is notified of their application acceptance, the required enrollment documents and forms must be completed no later than **May 16, 2025**. Failure to do so will result in the loss of your seat within the district.
6. All applications will be screened for accurate information. This may involve contacting your child's former school district. Please note that all Schools of Choice enrollments are contingent upon receipt and review of the applicant's prior discipline records which must be uploaded to the application.
7. Once enrolled through Schools of Choice, students may remain in Avondale School District until graduation if the student complies with all guidelines for Schools of Choice.
8. Students living in the same household of Schools of Choice students who meet criteria will be given preference for enrollment into Avondale School District as long as they reside in Oakland County.
9. If applying for High School there is an extra application that will also need to be printed and submitted directly to Avondale High School.
