The Avondale School District Code of Conduct governs the behavior of students who attend the Avondale School District. The Code of Conduct provides that a student who has engaged in misconduct resulting in expulsion or long-term suspension in another school system, or who has withdrawn from said school system before such misconduct was established by an appropriate hearing, which misconduct, if true, is of sufficient gravity to pose a threat to the health or welfare of students or district personnel, or makes the presence of the student in the school district disruptive to the educational process, may be subject to a suspension or expulsion due process hearing prior to admission in the Avondale School District. Such conduct, if established, may make a student ineligible to enroll in and attend the Avondale School District.
