

## Route 56: The Road to AMS 2026

Dear Families,

Route 56: The Road to AMS outlines the activities that are planned for both students and families to help support the transition to middle school. This transition is a significant one for both students and parents. Please mark your calendars and attend our Parent Information night in February and encourage your students to come to our activity night. We are excited to meet you and share the wonderful opportunities here at AMS!
