

Avondale High School

Student & Parent/Guardian Agreement for Enrollment in Advanced Courses

Honors & Advanced Placement (AP) - English, Math, Science, Social Studies, & Art

Student Name: _____

Parent/Guardian Name: _____

List up to 3 Honors/AP course requests:

1. _____
2. _____
3. _____

EXPECTATIONS:

- Honors and AP courses are specifically designed to provide challenging, college-level coursework for willing and academically prepared high school students.
- Honors and AP courses demand more of students than regular courses; they are fast paced and cover more material than typical high school classes.
- After completing an AP course, AP tests are administered nationally each spring to interested students. Students pay a fee to take an AP test, and they may earn college credit based on the score.
- Most of our Honors and AP courses are year-long commitments and cannot be dropped after first semester.

AGREEMENT:

Please consider and agree to the following statements.

- I understand the expectations listed above.
- I understand that after June 1st dropping this class is **not** an option unless there are extenuating circumstances, and it is approved by both parent/guardian and AHS administration.
- If selecting to take this course, the student intends to complete summer reading or homework assignments. If the student does not complete the summer requirement(s), I understand that this may impact the student's grade & that dropping the class is **not** an option.
