

AVONDALE HIGH SCHOOL
2025/26 VEHICLE OPERATION CODE

Note: Because of traffic congestion, please plan to arrive ½ hour before the start of classes.

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY AND SIGN AT THE BOTTOM.
ALL RULES WILL BE STRICTLY ENFORCED.

1. The school district will not be responsible for damage that occurs to a vehicle parked on school property.
2. Student-driven vehicles must be registered with the Avondale High School attendance office.
3. Parking permits will be issued based on criteria set by the school administration.
4. All students must have the application signed by parent/guardian before being able to purchase a driving permit.
5. The yearly fee is \$40.00. The student is required to provide a valid driver's license, proof of insurance, and vehicle registration when applying for a permit and/or requested by a school official.
6. Parking in the visitor section, on the grass, in the faculty area, and other non-designated is not allowed. **THESE ARE TOWAWAY ZONES.** All vehicles must be parked in designated student parking areas, between the lines.
7. While on school property, the maximum speed limit is 15 miles per hour.
8. Loitering in the parking lot or in parked cars before school, during school hours, during lunch periods, or after school hours is not permitted and will subject students to disciplinary action. **STUDENTS ARE EXPECTED TO ENTER THE SCHOOL BUILDING UPON ARRIVAL AT SCHOOL.**
9. Violation of these rules or any violation of the student code of conduct may result in denial of, suspension of, or loss of driving privileges and/or towing of the vehicle from school premises at the owner's expense.
10. Changes in license plate number or vehicle must be immediately reported to the attendance office.
11. Students who violate state or local driving laws while driving to and from school may lose their driving privilege.
12. Vehicles may be searched if reasonable suspicion indicates that the vehicle may contain items in violation of school policy.
13. If the student will possibly be driving more than one vehicle, there needs to be a completed parking permit form and registration form for each vehicle.
14. All purchased tags must be displayed and visible in the registered vehicle.
15. To ensure safety, students must bring in needed materials from their cars when they enter school at the beginning of the day.
16. Students will be assigned a specific parking space matching the purchased parking permit tag number.
17. This is your designated space between the hours of 6:00am and 3:00pm weekdays during the current school.

I hereby acknowledge reading, understanding, and agreeing to abide by the above regulations.
