

Avondale Middle School PBIS & Mustang Mania

We take pride in our **Positive Behavior Interventions and Supports (PBIS)** to empower students to meet behavioral expectations here at AMS. PBIS is our approach to be proactive in defining, teaching, and supporting the behaviors we desire from ALL students in order to create a positive school environment. Our school-wide PBIS initiatives are meant to support students in understanding what we expect from them each day as a **"Mustang Maniac"** by explicitly teaching expected behaviors throughout the entire school day and having consistent expectations in every classroom and area of the school.

PBIS Behavior Matrix

Our three core values and behavioral expectations are outlined for students using our **"Mustang MANIA"** acronym. We want all students to be **"Mustang Maniacs"** by demonstrating these three core values every day at Avondale Middle School.

- **M**aintain Respect
- **A**lways Do Your Best
- **N**eed to Be Responsible
- **I**n and Around
- **A**vondale Middle School

Each student at AMS has consistent expectations in all areas of the school. These expectations are outlined using the matrix presented here. Our three core values are used to define and teach what is expected of students - no matter what classroom or area of the school the student is in.

MANIA Ticket Reward System

Throughout the school year, students have the opportunity to earn tickets as a recognition from staff members for meeting or exceeding MANIA expectations. When students receive a ticket from a staff member, they can write their name on the back of the ticket and drop their ticket in the main office bucket for his or her grade level.

Mega Maniac Winners

Every trimester staff members are able to recognize students for demonstrating excellent behavior throughout the trimester. Join us in congratulating our AMS Mega Maniacs, the students who were nominated by staff members for demonstrating one of our three core values particularly well throughout the trimester.
