

NWEA (MAP) Directions:

Gain Access to **MAP Administration and Reporting Center (MARC)**

(MAP Growth and MAP Skills)

What is MARC?

This is the site you will use to manage students, create test sessions, pull reports, etc.

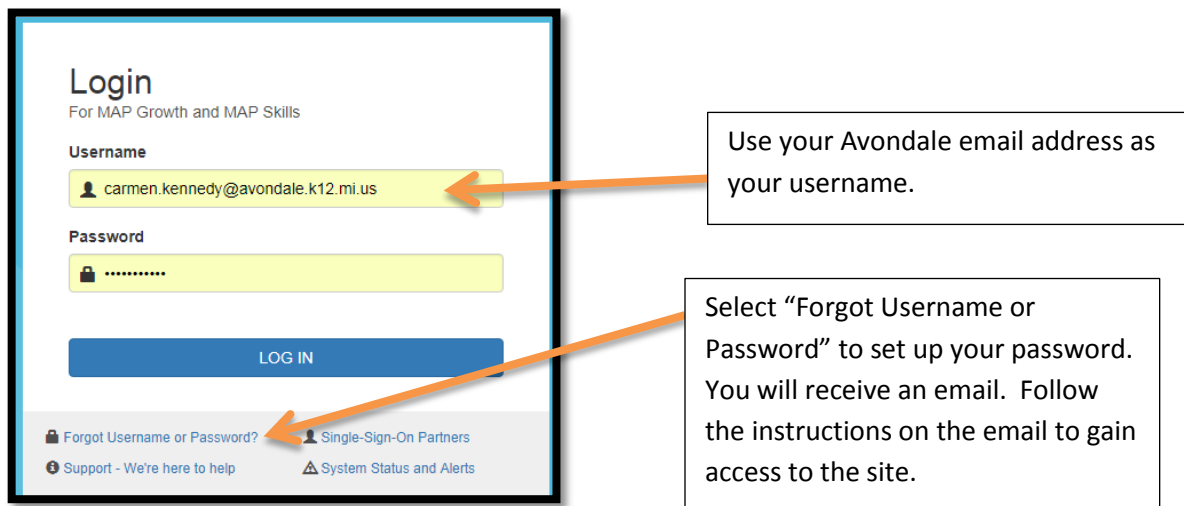

PLEASE NOTE:

- MARC is a DIFFERENT website than the NWEA Online Professional Learning site.
- THERE IS NOT A SINGLE LOG IN for these two different sites. **You will need to create a log in/password for the MARC site.**
- Reminder: Website for online professional learning resources:
<https://community.nwea.org/community/professional-development/>

It is possible that NWEA DID NOT automatically generate an email to you providing directions for accessing MARC.

If not, please follow these directions:

1. Log In to Website for MARC - MAP Growth and Skills: <https://sso.mapnwea.org/auth/login>

The screenshot shows the login page for MAP Growth and MAP Skills. The page has a title 'Login' and a subtitle 'For MAP Growth and MAP Skills'. There are two input fields: 'Username' and 'Password'. The 'Username' field contains the email address 'carmen.kennedy@avondale.k12.mi.us'. Below the input fields is a blue 'LOG IN' button. At the bottom of the page, there are four links: 'Forgot Username or Password?', 'Single-Sign-On Partners', 'Support - We're here to help', and 'System Status and Alerts'. Two orange arrows point from text boxes to the 'Forgot Username or Password?' link and the 'Username' field.

Use your Avondale email address as your username.

Select "Forgot Username or Password" to set up your password. You will receive an email. Follow the instructions on the email to gain access to the site.
